2006 | DONATUS
STELLENBOSCH
SOUTH AFRICA

90 **Dornier 2006 Donatus**
(Stellenbosch) This alluring Cabernet Franc-Cabernet Sauvignon blend starts with aromas of black cherry, violets and black currant, leading into waves of black fruit and spice. Structured but smooth, it has a classic, ageable quality. Good minerality gives it an upright character. Delicious now, but definitely can be held. Imported by Worthwhile Wine Company.
